LEGAL NOTICE

Pre-Qualification Testing for Contract No. 1802

The Allegheny County Sanitary Authority (ALCOSAN) is issuing an invitation to Polymer Manufacturers interested in participating in Pre-Qualification Testing for Contract No. 1802, Furnish and Deliver Polymer for Centrifuge Dewatering System. Bid documents for Contract No. 1802 will be issued by invitation only to those manufacturers who successfully complete the Pre-Qualification Testing. The successful bidder for Contract No. 1802 shall be awarded a one-year polymer supply contract, with two additional 1-year optional extensions that include a price adjustment in the manner set forth in the Bid Documents and the Contract Agreement.

Pre-Qualification Testing shall take place in ALCOSAN's Laboratory facilities at 3300 Preble Avenue, Pittsburgh, PA 15233 only during the period of **May 6, 2024** through **May 17, 2024**. Polymer Manufacturers interested in participating in this Pre-Qualification Testing shall submit a letter of intent to participate to Beth Joyce, Project Engineer II, by e-mail at Beth.Joyce@alcosan.org by no later than 4:30 P.M. EST on **May 15, 2024**.

ALCOSAN encourages businesses owned and operated by minorities and women to submit bids on Authority Proposals or to participate as subcontractors or suppliers to the successful bidders. Successful Bidders are to use minority or women's businesses to the fullest extent possible.

The Polymer Pre-Qualification document is available upon request at the Engineering office of the Authority, 3300 Preble Avenue, Pittsburgh, PA 15233. To request a copy of this document, or for any questions regarding the Pre-Qualification documents or testing requirements, please contact Beth Joyce, Project Engineer II, at Beth.Joyce@alcosan.org.
