PRE-BID MEETING

An Informational Meeting was held at the ALCOSAN plant for the above project on June 11, 2018 at 10:00 A.M. in the O&M Auditorium. Questions and answers presented at this meeting were presented under another addendum.

Additional Questions were received:

1. Does ALCOSAN require a complete SF330 package (including Part IIs) or would you prefer only the projects and resumes in an SF330 template?
 - a. Use of the SF 330 is purely optional.
2. If an MBE firm primes this project, does this prime firm need to meet the sub-consultant MBE participation requirements?
 - a. MBE/WBE participation is part of the evaluation criteria and more commitment to the spirit of the ALCOSAN policy could only help.
3. Can a firm submit as a prime if it is also part of another Team as a subconsultant?
 - a. Yes
