QUESTIONS AND ANSWERS:

The following Questions were asked during the informational meeting.

- 1) For Tabbed Section 2. Does ALCOSAN want SF330 Part II for all firms or just the prime?
 - a) If your subconsultants have a key role in the project we will want to see a SF330.
- 2) Is Arcadis conflicted from ORT design?
 - a) Send your request directly to the Procurement Officer if you are concerned about your firm or a potential subconsultant. Since a conflict of interest is based upon scope of work, ALCOSAN will review what work the firm is currently performing and what work for which they are proposed..
- 3) Will you post the USEPA response?
 - a) No

The following questions were also submitted under this procurement.

- 1) After reviewing the RFQ, we noticed that the Tabbed Section 2 requires SF330 Part I and II. Is Part II required for all team members or prime only?
 - a) Please include it for all key subconsultants.
- 2) Also, there is no Tabbed Section 4. Assume this is merely a typo?
 - a) That is a typo. Please revise the last two tabs to reflect the change.
