Additional questions were submitted under this procurement.

1. Section H of the SF 330 Part 1 asks for “any additional information requested by the Agency”. Are we correct to assume that we can address the selection criteria on page 6 of the RFQ in our Section H response? If Section H is allowed for inclusion, is there a page limit?
  - a. Section H is allowed for information not requested elsewhere. Marketing information is not wanted and will impact the evaluation. Please do not include additional resumes/staff. Section H should be no more than three (3) pages.
2. Is the entirety of Part 1 to be included in "Tabbed Section 2" of our response, with the exception of Section F – the five similar projects in "Tabbed Section 1"?
  - a. Per the RFQ, Tabbed Section 1, SF 330 Part F are the case histories. Tabbed Section 2 (SF 330 Part E) should be the resumes. Parts A-C should be after the letter of commitment, before the sections and Table of Contents. Part D should be with the resumes (Section 2).
