Additional Questions

Additional questions were submitted via email.

1. What is the start and end date for construction?
 - a. This procurement is for the design phase of the project. Construction contract award is tentatively expected for December 2026. However, part of the scope for the Design Consultant is to create a construction schedule which would determine the end date.
2. What is the estimated value for this project?
 - a. As part of our procurement policy, we are not allowed to set a budget for Consultants. It is expected that the Consultant will develop costs independently based on their own proposal.
3. Do you have a copy of the pre-bid sign in sheet?
 - a. The attendance sheet was posted on our website:
