**REQUEST FOR PROPOSAL (RFP)
PROFESSIONAL SERVICES
Underground Utility Locating Services**

ADDENDUM NO. # 1

DRAWINGS/FORMS

Replace the Unit Cost Schedule on Page 11 of the RFP with this version:

Item	Unit	Cost
Utility Field Locate	Per Unit	\$
Utility Field Locate w/survey	Crew Hour	\$
Utility Design One Calls	Each	\$
Utility Field Screen	Per Unit	\$
Utility Office Screen	Per Unit	\$
Call Out / Emergency Response*	Per Hour	\$
Investigation and Testimonial Support	Per Hour	\$

**Call Out refers to all ticket responses performed outside of regular hours, including weekends and holidays*

The following Questions have been submitted under this procurement.

1. Does this scope of work include sites within the plant?
 - a. No, only sites outside the plant.
2. How do we price for railroads and state roads?
 - a. Assume 15% utility one-calls in Railroad ROW or State Roads
3. What is the process for design tickets?
 - a. An item has been added to the cost schedule for design one-calls, see above.
4. Who has the current contract?
 - a. This has previously been performed in-house
5. How is your staff currently marking? By using measurements your mapping?
 - a. A utility field locate item with survey has been added to the Unit Cost Schedule, see above. To receive payment under this item, the locating company must be able to provide justification to ALCOSAN that a survey was required.
6. Are you relying on the GPS on the tablet, given that there is a deviation of 20’?
 - a. The majority of ALCOSAN structures have been surveyed to within two centimeters accuracy. This information will be provided to the utility locating company.
7. Can we provide a different format from the Daily Report?
 - a. All daily report formats shall be approved by ALCOSAN.
8. Approximately how many damages have occurred over the past year due to mismarks?

a. No damages have happened due to mismarks.
